What was your take-away from this week's sermon?

Discussion Questions – Choose as few or as many as you'd like.

1. Pastor Colin said that antinomianism says, "Believe God's promise so that you may ignore His command." How does a person who has adopted antinomianism actually fall prey to unbelief? What lie have they believed?

2. Read 2 Peter 1:5-9. How is the church's obedience a sign of her salvation from God?

3. Read Ezekiel 36:26-27. God gives us His Spirit to make it possible to live in obedience to Christ. Why, then, does walking in obedience seem so difficult sometimes? What truths from Scripture could you share with a person in your LIFE Group who feels obedience is not possible because their sin has too much power over them?

4. What does it look like to be at war with our sin? How do we actively engage in the battle against sin in our lives?

5. Obedience can be costly. Hebrews 11 identifies several heroes of the faith who obeyed God even when they were called to do things that seemed impossible. How can we prepare ourselves now to live a life of obedience?

Suggested Closing Prayer

Lord, we thank you that you call us to the obedience of faith. Help us to live in obedience in a greater way than ever before.
